

Garden Profile

Location _____

Approximate dimensions: _____ feet by _____ feet

Scale: Each = _____ feet

Instructions:

1. Describe your site, list its dimensions, and figure a scale for your grid.
2. Draw the outline of your garden (with a pencil).
3. Show the layout of your soil-beds. Remember:
 - Make soil-beds 18" wide x 30 ' long (or varying length)
 - Allow 3 ½ feet for aisles
 - Allow 5 feet at the ends of soil-beds
4. Label your soil-beds (1, 2, 3...).
